Subject: Request for Participation of JNTU Students in the Global Grace Cancer Run on October 6th

Dear Sir/Madam,

On behalf of the Grace Cancer Foundation (GCF) and the Private Engineering College Association, we are delighted to invite Jawaharlal Nehru Technological University (JNTU) to participate in the upcoming Global Grace Cancer Run scheduled for October 6, 2024. This event is organized to raise awareness about cancer and emphasize the importance of early detection, healthy living, and community support in the fight against cancer.

The Grace Cancer Foundation has been at the forefront of global cancer awareness and prevention, reaching millions through various initiatives. This year, the Global Grace Cancer Run aims to bring together over a million participants worldwide to run for the cause of cancer prevention, screening, and support for those affected.

We would be honored to have the participation of more than 10,000 students from JNTU in this meaningful event. Their involvement would not only raise awareness but also inspire other institutions and communities to join this global movement. This event will provide students with an opportunity to engage in a noble cause, promote a healthy lifestyle, and make a significant impact on society.

Event Details:

- Date: October 6, 2024
- Venue: Gachibowli stadium
- Mode: In-person and virtual participation options are available.

We kindly request your support in encouraging students to sign up and participate in this run. Their collective effort will significantly contribute to the success of our mission to combat cancer through awareness and prevention.

We would be glad to facilitate registration drives on campus, provide promotional materials, and conduct awareness sessions to motivate students. Your esteemed institution's participation will be acknowledged across our platforms, and we would be proud to recognize JNTU's commitment to social responsibility.

Thank you for considering our request. We look forward to your positive response and to having JNTU as a key partner in this global initiative.

Yours sincerely,
Dr Chinnababu sunkavalli
